MEET EMILIE

Hi, my name is Emilie! I'm responsible for the administration and the info-desk during this camp. If anyone knows who's who at this camp, it's me! So, if you find the love of your life on the dance floor then I am the one who can bring you together. Just point them out and I can bring you together. You can find me at the information stand in 126 with my friend Solange, who is still recovering from the repetitive strain injury she acquired preparing for this week. In other news, I love typical Dutch snacks like bitterballen and kaasstengels and our famous singer Jan Smit! I hope you have had a wonderful week together!

REMEMBERING FRIENDS CHRISTOPHER CUP

Paul (2nd from left), Thibault (3rd from left), Markus (4th from left), Ingrid (1st from right) and Christoph (2nd from right)

20 years ago, five Austrian friends died in a tragic car accident on their way home from the International Holiday Camp in Switzerland. Today a memorial mass will be celebrated in Vienna. Please keep Ingrid Reithofer, Paul Kaltenegger, Christoph Breisky, Markus Knezevic and Thibault de Montjoye in your prayers today. Christopher's parents donated his beloved croquet set to us. Since then we have played the Christopher's Cup every year in memory of our friends.
